Dear Sister Veacock:

We are writing to express our sincere gratitude to you and those members of the Coalition who helped us in the recently concluded car raffle campaign.

We are now in the home stretch in terms of securing the necessary funds to do the renovations, and in this regard, we are requesting the assistance of the Coalition in two areas:

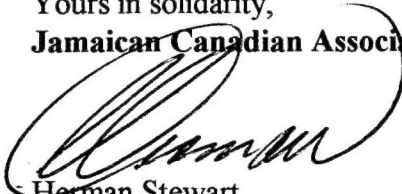

1. We would appreciate it if you would encourage your members to get involved in our recently-launched "Buy a Brick" campaign.

For a \$10.00 donation your name or your family's name will be inscribed on a brick which will be prominently displayed at the Centre. Buy as many as you like and receive a tax receipt for your donation.

2. We would like you to encourage the OFL to make a financial contribution to the campaign.

Any help you can give in these areas would be greatly appreciated, and thanks again for your continued strong support.

Yours in solidarity,
